# Weebly templates for photographers

### RAJAZ - A PREMIUM WEEBLY THEME

A unique vertical main menu with flyout sub-menus integrates within a left drag and drop sidebar. Eight page layout types, a flexible footer and three sliding header styles complete this highly versatile theme. Clean, bright and contemporary, Rajaz lets your content shine out. Beautiful, legible, easily branded and customized, Rajaz adapts to any corporate, professional, personal website or blog. Very cool.

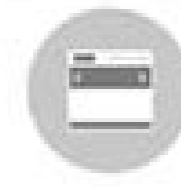

#### WHY YOU'LL LOVE IT

**7 PAGE LAYOUT TYPES**

It goes in hand with 7 page layout types (2 slide header layout, landing page, tall header, medium header, no header, blog layout) allowing for a customized look and feel.

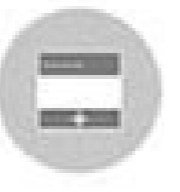

[Read more](#)

**2 SLIDER STYLES**

The slide header allows you to display featured images of your products or services. This is simply the best way to intrigue your visitors with amazing transition effects.

[Read more](#)

**FLEXIBLE FOOTER**

Just drag and drop elements on to the footer area - this is no difference from the way you add content to the pages. The content is persistent across all pages.

10/12/2021 · Google Sites Examples, and Who This Platform Will Suit Best. So - what is Google Sites, and who should be looking into using it? Well, as noted in the introductory part of the article, before looking into some Google Sites examples, we should establish one, simple thing - Google Sites isn't an actual website builder. That being said, the tool does have some builder ... 1/12/2021 · The Best Website Builders for 2022. Passionate individuals and thriving small business need a place to share messages and products with the world. 16/12/2021 · Weebly.com is a California-based company which was started in 2006 and in 2007; it was named amongst Best 50 Websites by Times. Weebly is popular free blogging platform and used by many people to create their free blogs because of its versatility. They are currently hosting personal websites and blogs of over 12 million people. 4/01/2022 · The two biggest names in website building couldn't be more different. Squarespace is curated and design-y. Wix is occasionally chaotic but allows for a lot of freedom to customize. I recommend Squarespace over Wix - but you won't be unhappy with either website builder. Easily create a website with a "Book Now" function and manage all your reservations from one place with our all-in-one vacation rental software solution. 10/01/2022 - Beautiful templates can be customized to fit your brand and message. And, since BoldGrid was built with WordPress specifically in mind, BoldGrid-powered sites are compatible with all the latest WordPress plugins, allowing site owners to build anything from contact forms and image galleries to PayPal and ecommerce integrations. Here, you can find a collection of Best 18th birthday wishes and messages. A person who is turning 18 is regarded as a full grown man or woman and no longer a kid. It is also the time for the person to gain his freedom and be certified as an adult with legal privileges like opening sign a contract to own a credit card, own and drive a car, be able to vote and be able to drink lots of ... 14/01/2022 - Inspirational templates are organized by industry and type, so it's easy to find the right layout for your website, regardless of whether you are based in ... 15/08/2021 - Wix offers over 600 templates to choose from, all of which are easily searchable and broken down into categories for you to peruse like Online Store, Music, and Fashion. These websites, for the most part, look highly professional and will impress your site visitors whether they're coming to buy new flooring or read your latest thoughts on Beatles cover bands. Buy Piroll - Portfolio WordPress Theme by \_nk on ThemeForest. Piroll - Minimal and Modern Portfolio WordPress Theme. The Piroll is designed for any type of portfolio: as well as ...
